

RECREATION AND CULTURE GRANTS

1. A B.C. registered not-for-profit society or municipality located in the Peace River Regional District may request Fair Share Funding for capital requirements for recreation and culture facilities and services.
2. Fair Share funds will not be provided if the proponent society has received capital funding for the same proposal from the Grant-in-Aid program.
3. Fair Share funding may be provided if capital funding from the Grant-in-Aid program is not available.
4. For major capital financing (over \$10,000) where there are ongoing operational costs, the proponent will have to justify in its application, why a tax levy is not being requested.
5. Where a major capital project funding (over \$10,000) is requested and where a service area is to be established, the operational costs of the project must be included in the proposal.
6. Each Electoral Area may provide a grant for the same specific proposal.
