

PEACE RIVER REGIONAL DISTRICT

Request for Proposal Network Storage and Server Host

The Peace River Regional District is seeking proposals from qualified vendors and resellers for the supply, delivery and installation of network host servers, storage and switching equipment to replace existing host servers and direct attached storage solution. The Regional District will consider a traditional SAN/host configuration as well as hyperconverged infrastructure (HCI) solutions, with a preference towards HCI.

A copy of the Request for Proposal is available from the Regional District's website at <http://prrd.bc.ca/category/tenders.rfps>, or www.civicinfo.bc.ca or www.bcbid.gov.bc.ca

Sealed submissions clearly marked "**Network Storage and Server Hosts RFP 17-2017**" will be received by the Peace River Regional District, 1981 Alaska Avenue, Dawson Creek V1G 4H8 until **2:00 pm (local time) on August 15, 2017**. Faxed or emailed submissions will not be accepted.

Proposals will be evaluated on the basis of experience, references and other factors as determined by the Regional District.

The Regional District reserves the right to accept or reject any or all submissions and to waive irregularities at its own discretion. The lowest or any submission will not necessarily be accepted.
