### Area D meetings build connections between residents and Regional District

Director Leonard Hiebert is hosting six community meetings in Electoral Area D to promote engagement and transparency. These meetings are vital for building trust, fostering teamwork and enable residents to actively shape their communities. By encouraging open dialogue, Director Hiebert ensures residents are informed about regional projects and discuss issues.

The final meetings on October 28 and 29, 2024, invite residents to engage directly with their local government, enhancing communication and strengthening ties with the Peace River Regional District. A representative from the Northern Development Initiative Trust will also be present to discuss business and community development opportunities, offering resources to support local economic growth.

For more information about the remaining sessions, contact [communications@prrd.bc.ca](mailto:communications@prrd.bc.ca) or call the PRRD head office at 250-784-3200.

### Popular Halloween event returns to the community of Charlie Lake

Join the Charlie Lake Fire Department for a special Halloween Drive-Thru event on October 31, from 5 PM to 8 PM. This popular event is an excellent opportunity for our community to engage with local firefighters while enjoying an evening of treats, festive decorations and

family-friendly fun. As we begin the countdown to Halloween, we encourage everyone to participate and share this event with friends and family to celebrate the spirit of the season together!
