Amendments to the Solid Waste Management Plan

The Peace River Regional District is hosting a meeting to discuss the decision to stay at the North Peace Regional Landfill and maximizing capacity.

On July 28, 2016, the Regional Board, approved the borrowing of \$2.5 million over 5 years, to finance the North Peace Landfill project, with the remainder of financing to come from Capital Reserves.

The approval is subject to hosting a public information open house (public consultation process) and Ministry of Community, Sport and Cultural Development approval of the amendment to the Regional Solid Waste Management Plan.

Come out to see displays, listen to short presentation and to discuss the amendment.
