

# SOUTH PEACE EAST AND WEST WIND ENERGY PROJECTS

## Public Information Session October 28, 2015 – Between 5pm and 9pm Tower Lake Community Hall

Renewable Energy Systems Canada Inc. (RES Canada) is proposing two small-scale wind energy projects each comprising 5 to 7 turbines in the Peace Region

South Peace East: Triangle Road 15km east of Hw 97

South Peace West: Braden Road 8km west of Hw 97

**Please come and meet with us to find out more about these projects!  
Your feedback is important to us.**

*Public sessions are an “Open House” format; come at your leisure throughout the evening.*
