**PEACE RIVER REGIONAL DISTRICT**  
**Bylaw No. 2121, 2014**

A bylaw to control invasive plants and noxious weeds

WHEREAS the *Local Government Act* authorizes the Regional Board to require the owners or occupiers of real property, or their agents, to clear their property of invasive plants;

AND WHEREAS the Peace River Regional District has adopted "Invasive Plant Control Service Establishment Conversion Bylaw No. 2120, 2014";

AND WHEREAS it is deemed advisable and expedient for the protection of the Regional District's economy, environment and social values from invasive plants that such powers be exercised and necessary and sufficient regulatory measures be enacted;

NOW THEREFORE, the Board of the Peace River Regional District, in open meeting assembled enacts as follows:

**CITATION**

1. This bylaw may be cited for all purposes as "Invasive Plant Control Bylaw No. 2121, 2014".

**DEFINITIONS:**

2. In this bylaw:
  - a. **Invasive plants** are plants that are not native to this portion of northeast BC, most having originated from Europe and Asia, which cause negative economic, environmental and/or social impacts.
  - b. **Noxious weeds** are plants that cause damage significant enough that they are placed on a noxious weed list in legislation like the *Weed Control Act* providing for enforced management of infested sites.
  - c. **Invasive plant and/or noxious weed** means any plant specified in Schedule "A" of this bylaw.
  - d. **Occupier** means a person who is in physical possession of land, premises or property or is responsible for and has control over the condition or activities and is allowed to enter or use the land, premises or property.
  - e. **Owner** means the person or persons, including a corporation or company registered in the records of a land title office as owner in fee simple of a Real Property.
  - f. **Real Property** means lands, premises, buildings, structures and other improvements affixed to the land.
  - g. **Environmental Services Manager** means the person appointed by the Peace River Regional District Board, or designate, for the purposes of enforcing and administering this bylaw.

**REGULATION:**

3. No person who is an Owner or Occupier of Real Property shall allow any Invasive Plant or Noxious Weed to grow on that Real Property.
4. The Environmental Services Manager, or designate, may enter any Real Property for the purposes of enforcing and administering this bylaw.
5. Every person found guilty of an offence shall receive a warning ticket and all further action will be reported to the Provincial Ministry responsible for enforcing the *Weed Control Act*.
6. The Regional District will focus on education and awareness to control the spread of invasive plants.
7. If any section, subsection, sentence, clause or phrase of this bylaw is for any reason held to be invalid by the decision of a court competent jurisdiction, the remainder of this bylaw will remain in full force and effect.

**REPEAL:**

8. "Noxious Weed Control By-law No. 992, 1995" is hereby repealed.
