means a transfer station operated by, or on behalf of, the Regional District;

**"Vehicle Hulk"**

means a wrecked or derelict vehicle body.

**PART II -- GENERAL PROVISIONS**

**Requirement to Comply with bylaw**

- 2. Every person in the Regional District having solid waste or carrying out activities that generate solid waste shall dispose of such solid waste in accordance with the regulations set out in this bylaw.

**Disposal of Solid Waste within Regional District**

- 3. Every person in the Regional District disposing of solid waste, other than restricted waste or recyclable material, at a transfer station or landfill site shall do so in accordance with the regulations set out in this bylaw.
- 4. Every person in the Regional District may dispose of restricted waste at a landfill site in accordance with the regulations set out in this bylaw.

5. No person shall transport solid waste for disposal anywhere within the Regional District other than to a transfer station or landfill site. In the case of restricted waste, such restricted waste may be disposed of at a facility authorized under the Waste Management Act (British Columbia) for the storage, handling, and disposal of such restricted waste.

#### **Solid Waste Originating Outside the Regional District**

6. No Commercial or Industrial operation shall dispose of solid waste which originated from outside the Regional District within the Regional District except with the written permission of the General Manager.

#### **Prohibited Waste - Exclusion**

7. No person shall dispose of prohibited waste at any transfer station, landfill site or other place within the Regional District, except at a facility authorized under the Waste Management Act (British Columbia) or other regulation, for the storage, handling, and disposal of prohibited waste.

#### **Non-Domestic Recyclable Material - Exclusion**

8. Persons disposing of non-domestic recyclable materials shall do so if at all possible at a facility authorized under the *Environmental Management Act* (BC) or other regulation, for the storage, handling, and disposal of non-domestic recyclable material. The General Manager may make directions from time to time as needed in the handling of non-domestic recyclable material.

### **PART III -- TRANSFER STATIONS**

#### **Establishment of Transfer Stations**

9. The Regional District may establish transfer stations for the purpose of collecting household waste for subsequent transport to a landfill site.

#### **Transfer Station Regulations**

10. Every person disposing of solid waste at a transfer station shall deposit such solid waste in accordance with the provisions of this bylaw.
11. Every person disposing of household waste at a transfer station shall deposit the household waste in the appropriate receptacles.
12. Every person disposing of household waste at a transfer station shall do so in accordance with all posted signage.
13. No person depositing household waste at a transfer station shall do so in such a manner as to create a safety hazard for Regional District employees or contractors or the public at large.

### **Exclusion of Other Types of Solid Waste**

14. No person shall dispose of solid waste, other than household waste, at a transfer station except as otherwise provided by the Regional District from time to time.

## **PART IV -- LANDFILL SITES**

### **General Landfill Site Regulations**

15. Every person disposing of solid waste at a landfill site shall deposit such solid waste in such a place, and in such a manner, as directed by a landfill site attendant.
16. Every person disposing of solid waste at a landfill site shall sort and separate all such solid waste prior to entering the landfill site. Where such solid waste is not sorted and separated prior to entering the landfill site, the Regional District may refuse to accept the solid waste for disposal.
17. Every person depositing solid waste at a landfill site shall proceed directly to the unloading area upon being directed to do so by a landfill attendant or landfill contractor, unload such solid waste from their vehicle in an expeditious manner, and leave the unloading area immediately after unloading their vehicle.
18. Every person depositing solid waste at a landfill site shall, within the landfill site, only travel along signed and designated landfill roads.
19. No person shall operate a vehicle at a landfill site in such a manner as to exceed the posted speed limits, create excessive noise, or create a hazardous condition.
20. No person shall loiter at a landfill site.
21. All solid waste disposed of at a landfill site is the property of the Regional District and no person shall salvage or remove any solid waste from a landfill site without the prior permission of the Regional District.
22. Every person disposing of solid waste at a landfill site shall do so in accordance with all posted signage at the landfill site.

### **Regulations for Regular Waste**

23. Every person in the Regional District shall dispose of regular waste at a landfill site in accordance with the provisions of this bylaw.
24. Every person in the Regional District shall dispose of household waste at a transfer station or landfill site in accordance with the provisions of this bylaw.

### **Regulations for Controlled Waste**

25. Every person in the Regional District shall dispose of controlled waste at a landfill site in accordance with the provisions of this bylaw.

26. Every person disposing of controlled waste at a landfill site shall deposit such controlled waste in such a place, and in such a manner, as directed by the General Manager or a landfill site attendant.

#### **Regulations for Restricted Waste**

27. Every person in the Regional District may, with the permission of the General Manager, dispose of restricted waste at an authorized landfill site in accordance with the provisions of this bylaw.
28. No person shall deposit restricted waste at an authorized landfill site without first obtaining permission from the General Manager to do so. In determining whether to grant a person permission to deposit restricted waste at an authorized landfill site, the General Manager shall, among other things, consider the nature and quantity of restricted waste sought to be deposited and the ability of the authorized landfill site to accept and process the restricted material.
29. In granting a person permission to deposit restricted waste at an authorized landfill site, the General Manager may impose conditions regarding the time, place, and manner in which such restricted wastes are to be deposited at the landfill site.
30. Every person disposing of restricted waste at an authorized landfill site shall deposit such restricted waste in accordance with the conditions imposed by the General Manager in relation to the deposit of such restricted waste at the authorized landfill site.

#### **PART V – CHARGES**

##### **Charges**

31. The fees and other charges applicable in relation to the disposal of solid waste at a landfill or specified transfer site shall be paid immediately after the weight or volume of the solid waste to be disposed of is determined. Every person disposing of Solid Waste at a transfer station or landfill site shall pay the applicable fees and charges to the Regional District as set out in Schedules A through C.
32. The weight of solid waste to be disposed of at a landfill site or transfer station shall be determined by the difference between the weight of the loaded vehicle and the weight of the unloaded vehicle. At landfill and transfer station locations where there are no scales, or in the event that the scales are not operational, the fees payable shall be set out in Schedule B.
33. Where fees are collected, at a landfill site or transfer station, for the appropriate waste disposed, the fees shall be established by Schedule A – Fees and Charges by Weight, or Schedule B – Fees and Charges by Volume, as applicable, and Schedule C – Miscellaneous Charges, all of which are attached hereto and form part of this bylaw.
34. Where solid waste transported to a landfill site or transfer station for disposal is not sorted and separated in accordance with the provisions of this bylaw, the applicable fees and other charges for the disposal of such solid waste shall be calculated on the basis of the highest fee per unit measure which would have been applicable had the solid waste been sorted and separated.

35. Any person depositing solid waste at a landfill site on a regular basis may apply to the Regional District for credit and, if credit is granted to that person, payment of the applicable fees and other charges imposed by the provisions of this bylaw shall be made, and the credit extended, on the following conditions:
- a) The Regional District may require a deposit from businesses not resident in the Regional District;
  - b) The person receiving credit shall pay the Regional District all outstanding fees and other charges in full on receipt of invoice. The Regional District will invoice monthly for solid waste delivered during the preceding month. The invoice amount will be based on the total quantity of solid waste delivered during the month, and the disposal rates in effect at the time of delivery;
  - c) Late payment by the person receiving credit shall be subject to an interest penalty charge of 1.5% per month; and,
  - d) The Regional District reserves the right to cancel, upon five (5) days' notice, the credit offered herein for late payment, non-payment, or other justified cause judged solely by the Regional District.
36. Notwithstanding Clauses 31-35 above, in the event that the Regional Board identifies a Spring Cleanup or a Fall Cleanup, tipping fees will not be assessed/charged for self hauled waste originating from private property during the Spring Cleanup or Fall Cleanup period.

## **PART VI -- ENFORCEMENT**

### **Offences and Penalties**

37. Every person who:
- a) does an act in contravention of this bylaw;
  - b) suffers or permits any act or thing to be done in contravention of this bylaw; or,
  - c) neglects or refrains to do any act required to be done by this bylaw
- is guilty of an offence and, upon summary conviction, is liable to a fine of not less than \$500.00 and not more than \$2,000.00.

**PART VII -- MISCELLANEOUS PROVISIONS**

**Severability**

38. If, for any reason whatsoever, any section, subsection, sentence, clause, or phrase in this bylaw is held to be invalid by the decision of a court of competent jurisdiction, such decision shall not affect the validity of the remaining provisions of this bylaw.

**Repeal**

- 39. a) "Solid Waste Regulations and Fees Bylaw No. 2005, 2012", is hereby repealed.
- b) "Solid Waste Disposal Fee Bylaw No. 1900, 2010" is hereby repealed.
- c) "Solid Waste Disposal Fee Bylaw No. 2053, 2013" is hereby repealed.

**Title**

40. This bylaw may be cited for all purposes as the "Solid Waste Regulation and Fees Bylaw No. 2065, 2013."

**Schedules**
