Dear Minister Farnworth,

RE: Response to April 26, 2019 letter regarding Old Fort Landslide

Thank you for the April 26, 2019 letter regarding the Old Fort Landslide.

On May 16, 2019 the Regional Board discussed your response and would like to reaffirm the Board's position that any investigation, monitoring, or mitigation efforts in response to emergency events on Crown land should not be the responsibility of local government.

Further the Peace River Regional District recognizes the Ministry of Forests, Lands, Natural Resources and Rural Development and the Ministry of Transportation and Infrastructure Ministries as joint command for the Old Fort Landslide that started on September 30, 2018.

Yours truly
