The Regional Board authorized a grant in the amount of \$2,500, to the High School Rodeo Association of BC in support of hosting the High School Rodeo Senior Provincial Championships in Fort St John from June 7 to 9, 2019.

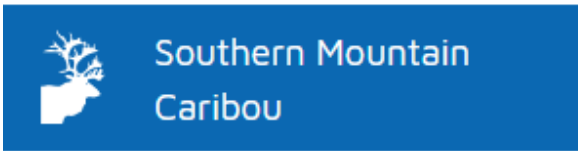

ALR Applications

The Regional Board supported the following ALR applications to proceed to the ALC:

The Johnson application for subdivision within the ALR, to retain a residential lot and sell the remaining 60 acres to a neighbor for continued farming.

The Little application for subdivision within the ALR, to subdivide the subject property into two parcels and consolidate the new parcels with existing areas. This will result in the same number of parcels, with different sizes.

The Haab application for subdivision within the ALR, to exclude 3.54 hectares (8.75 acres) from and include 4.10 hectares (10.13 acres) in the ALR.

Southern Mountain Caribou

The Peace River Regional District issued a letter to the Saulteau First Nations and West Moberly First Nations condemning the hurtful and racist comments directed towards the First Nations people. An additional letter was sent to the Provincial and Federal Governments regarding the division in northern communities caused by the Southern Mountain Caribou engagement process.

The Board received a report dated November 29, 2018 from Stantec Consulting Ltd. on the Socio-Economic Impact of Proposed Restoration of South Peace Northern Caribou Ranges. The report has been released on prrd.bc.ca on the Southern Mountain Caribou Engage! page.

Geoscience BC

Geoscience BC presented their Ground Motion Amplification study that explored why low grade or low intensity seismic activity was being felt on the surface. The first phase of the project is complete. Results released in February, integrate geotechnical data, oil & gas geophysical logs, surface geology, and new geophysical data. The next phase of the research project will expand on this data, focusing on Fort St. John – Dawson Creek, to better define surficial geology and amplification susceptibility, emphasize sites with anomalous ground motions, better understand geological factors controlling amplification, and better correct for site conditions at seismograph stations.

BC Hydro

BC Hydro returned to present an update to the Board on the Peace to Kelly Lake Capacitor Project, a project intended to ensure transmission lines are able to move expected increases to energy generation in the area. The project will see the building of additional capacitor stations. The project began 3 potential alternatives being explored by BC Hydro. BC Hydro reported that alternative 3 is the leading alternative and they are now studying and selecting site locations within the segment. Confirmation of the preferred alternative is expected in 2020.

Agricultural Land Commission Tour

The Agricultural Land Commission will be in Fort St. John on June 19, 2019 for a Regional Seminar to discuss changes to the ALC Act and ALR Regulations, policies and procedures, and region-specific topics. The Chair of the Agricultural Land Commission will tour the region with the Board to view the impact that oil and gas activity has on Agricultural Land Reserve lands, and the issues that residents in the affected rural communities face. The Board discussed additional topics they would like to bring forward and discuss on these dates.

Electoral Area B Water Stations

The Buick, Prespatou, Boundary and Feye Springs Water Stations are now open! Construction is still underway for Rose Prairie Water Station. We thank you for your patience.

Water credits will be charged starting on June 15th at a rate of \$3.00/m³.

Complete the signup process online or visit one of the PRRD offices in Fort St John or Dawson Creek during regular office hours for assistance.

Once registered, residents will be able to purchase water credits online any time of the day or night from their computer or other device and have access to potable water stations using their individual access code and pin.

Are You Prepared for an Emergency?

Do you have a grab-and-go kit?

A grab-and-go kit is prepared and ready to go with you in the event of an emergency if you need to leave your home. Make sure your kit is easy to carry and everyone in the household knows where it is. Keep it in a backpack, duffel bag or suitcase with wheels, in an easy-to-reach place, such as your front hall closet.

Do you have a 72-hour emergency kit?

Take the time to put together a household emergency plan and a well-stocked emergency kit, with at least 72 hours of supplies including food and water.

For ideas on how to build a 72-Hour emergency kit go to www.getprepared.gc.ca/cnt/rsrscs/vds/prprng-kt-eng.mp4.
