

Let's Talk Trash.

The survey for the Regional Solid Waste Management plan is still open and we want to hear from you.

Scan the QR code below to complete the survey online. All eligible entries will be entered to win an indoor recycler/composter!

Survey closes: May 7

Charlie Lake Fire Department looking for recruits

Are you interested in a new and rewarding opportunity? The Charlie Lake Fire Department is actively recruiting for volunteer firefighters. Interested applicants are encouraged to visit: haveyoursay.prrd.bc.ca to join the application list.

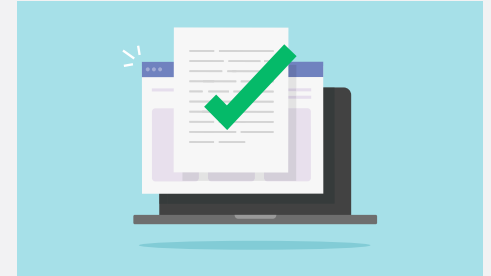

Do you need assistance with grant writing?

The Peace River Regional District's Grant Writer Services program is designed to support community groups and non-profit organizations within the Regional District with applying for grants.

The Grant Writer Services program can assist with:

- finding suitable grants for a project;
- completing a grant application; and
- assisting with additional documentation and technical requirements required by the funder (e.g., letters of support and greenhouse gas emission calculations).

Grant Opportunities newsletter coming mid-April

If you would like to receive regular updates on grant opportunities subscribe to the monthly email newsletter at: prrd.bc.ca/services/grants

The program is available to community groups located within the Peace River Regional District, including (but not limited to) not-for-profit registered societies or charities, church groups, community hall operators, parent advisory councils, and emergency services associations.

Day-use pilot project slated for Montney Centennial Park

Montney Centennial Park will be part of a day-use pilot project starting in spring 2021. Over this three year period the park will be available for day-use exclusive activities. The project was approved to accommodate much needed upgrades to the park including the development of trails, installing a picnic shelter, installing a fishing dock, updated signage and improvements to walkways and outhouses.

The goal of this project is to expand the recreational pursuits at the park and attract a broader range of visitors for unique experiences that are not readily available in the surrounding area. Come for a picnic, launch a canoe or fish off the shoreline! The PRRD also supports partnerships with clubs and organizations to create fun activities in the park. If you have an idea please reach out to Community Services staff at 250 784-3200.
