

REGIONAL DISTRICT HIGHLIGHTS

Issue 10 | November 8, 2019

West Peace Fringe Area Official Community Plan Adopted!

The West Peace Fringe Area Official Community Plan (OCP) Bylaw No. 2312 was adopted by the Regional Board on October 24, 2019

The West Peace Fringe Area covers part of the rural area surrounding the District of Chetwynd within the Peace River Regional District. For example: Wabi Hill, Jackfish Lake and Moberly Lake area.

Thank you to the Community Advisory Committee for their hard work and collaboration on this project!

Larry Houley, Chair (Wildmare – Kurjata), Charlie Lasser (Jackfish Lake), Stu Garland (Moberly Lake), Ian Campbell (Moberly Lake) – Alternate, Betty Deck (Jackfish Lake), Merlin Nichols (Jackfish Lake), Laura Weisgerber (Hillview Access) – Alternate, and Diana Canning (Twidwell Bend).

The Official Community Plan can be found on the PRRD website by visiting:

April 23, Dawson Creek	November 26, Dawson Creek
May 7, Dawson Creek	December 11, Dawson Creek
May 28, Fort St John	

Re-issued Financial Statement

At the October 10th Board Meeting, the PRRD Board heard from the Chief Financial Officer that accounting errors made during the 2018 annual audit had been identified and corrected. To correct these errors, the 2018 Financial Statements were restated and re-issued.

What Does This Mean?

The PRRD Financial Statements must be approved by the Board and, should any changes be needed, the Board must re-approve the statements for the changes to be official.

What Happens Now?

The PRRD continues to be in a strong financial position. Staff found the errors subsequent to the 2018 financial audit and the errors have now officially been corrected.

No money is missing and there was no malicious intent or fraud. The 2019 budget was not affected and the PRRD now has correct information going forward to inform future financial decisions.

The PRRD follows Public Sector Accounting Standards when preparing its financial statements and takes great pride and responsibility in the management of taxpayer money. The PRRD has also issued a Request for Proposal for audit services for the 2019 audit.

Plan Technical Advisory Committee (PTAC) Solid Waste Management Plan

The Peace River Regional District is currently recruiting members for the Public and Technical Advisory Committee (PTAC) to provide their opinions and feedback on the development of the updated Solid Waste Management Plan.

The deadline to apply is November 15th. Applications can be found online at prrd.bc.ca and can be submitted to your local municipality.

The Advisory Committee will review and provide input and recommendations to the Peace River Regional District on proposed programs and policies that would make up the updated Regional Solid Waste Management Plan. The goal of the PTAC is to support the update of the RSWMP and to come up with preferred options for waste management in the region for the next 10 -15 years.

Thank you to everyone who 'Talked Trash' with us and participated in the Solid Waste Management Plan Survey during September and October. Staff and consultants are currently reviewing the data to learn more about what residents had to say. Watch for more opportunities to engage on the Solid Waste Management Plan coming in 2020!

Sign Up for North East BC Emergency & Public Alerts

North East BC Emergency & Public Alerts is a community-wide notification system. Residents who subscribe will be alerted about emergencies and other important community news by signing up.

Residents can sign up to receive time-sensitive messages on their home, mobile or business phone, email address, or by text message.
