Site C Clean Energy Project:

BC Hydro virtual town hall on EAC amendment

We will be hosting a virtual town hall meeting on the proposed EAC amendment to haul material from the 85th Avenue Industrial Lands to the dam site, and we invite the attendance of residents who live along or near the hauling route. During the meeting, we will present information, answer questions and seek feedback about the proposed amendment.

When: Thursday, May 6, 2021

Time: 7:00 p.m. to 8:00 p.m.

Who: Residents who live along or near the proposed hauling route

How: We will be using a combination of video conferencing and telephone. Participants must RSVP by emailing sitec@bchydro.com or calling 1 877 217 0777 to confirm attendance and to be registered. Once registered you will receive a confirmation email with conference call details and instructions on how to log into the video call.

If you don't RSVP you won't be registered and won't have access to the presentation.

For more information, please contact us at 1 877 217 0777 or sitec@bchydro.com.

Sincerely,

Site C Project Team
