An expanded Evacuation Alert has been issued by the Peace River Regional District at the Emergency Operations Centre (EOC). BC Wildfire Service has recommended an expanded evacuation alert as a result of the Stoddart Creek Wildfire (G80291).

Because of the potential danger to life and health, the Peace River Regional District has issued an **Evacuation Alert** for the following areas:

- areas south of Buick Creek Road and Aitken Creek Road.

An Evacuation Alert has been issued to prepare you to evacuate your premises or property should it be found necessary. Residents will be given as much advance notice as possible prior to an evacuation; however, you may receive limited notice due to changing conditions.

**This is the time to GET PREPARED to leave your home on short notice.**

- Locate all family members and designate a meeting area outside the evacuation area, should an Evacuation Order be called while separated.
